Job Title: Graduate Nutritionist
Vacancies: 3 positions
Level: entry level/graduate
Salary: Competitive
Location: London (x2), East Sussex (x1)

Compass Group UK & Ireland is looking for an enthusiastic, passionate Nutritionist to join their education sector, Chartwells.

The Role
As we continue to grow our education business we are looking for some nutritionists to join our Chartwells Nutrition Team. The role(s) will include a mixture of mobile working and office working. The successful candidate(s) should be an expert in nutrition with an interest in public health and a passion to work with children and families. The candidate(s) will be comfortable presenting to large audiences of children and adults on a regular basis, confident speaking to key clients and will be able to work independently to tight time scales. The candidate(s) should be familiar with the Food Information Regulations (FIR) and comfortable supporting children with allergies and intolerances.

Job responsibilities include:
- Deliver nutrition education sessions within schools with pupils aged 4+ years
- Deliver “hands on” cookery workshops to children and families with enthusiasm and passion
- Deliver all aspects of our internal “Beyond the Chartwells Kitchen” programme
- Monitor the impact of delivery and evaluate activity
- Deliver new approaches that enhance the nutrition and curriculum support that we offer to each school within the contract. All of which should be aligned to the cooking and nutrition curriculum.
- Support the Nutrition Team with the creation of new relevant resources that link our school meals to the curriculum
- Provide expert knowledge on the School Food Plan and the school food standards to the business
- Ensure compliance across state schools with the school food standards via auditing methods
- Contribute to recipe and ingredient consistency and delivery within the estate
- Support the development of special diet menus
- Support delivery of engagement road shows for colleagues
- Volunteer time and knowledge to holiday provision clubs during the school holidays

The Person
- Must have a minimum degree (BSc) in Nutrition or Public Health
- Experience working in the food industry is also desirable
- Experience using nutritional analysis system such as Saffron (or equivalent)
- Excellent presentation skills
- Confident person
- Excellent organisational skills
- Excellent verbal and written communication skills
- Excellent IT skills and ability to learn new systems quickly
- Experience in working with people with allergies and intolerances
- High attention to detail
- Ability to manage a busy inbox
- Ability to multi task
- Ability to work under pressure
- Proven record of meeting deadlines
- Ability to work independently without constant guidance from line manager
- Passion for keeping up to date with research and legislation
- Punctual and a good time keeper

The Benefits
Compass Group UK & Ireland offers excellent career and development opportunities, as an organisation that’s proud of its great people, we believe in the opportunity to recognise and share success, that’s why we offer a competitive salary, pension scheme, sick pay, and company discounts.
